

### **Chris & Lisa's Art Camp**

Chris Billis and Lisa Bouffard will offer two different weeks of Art Camp this summer. Please note that each week will be a new curriculum, ensuring children interested in both weeks will not repeat projects. They will keep campers busy with fiber arts projects, silk-screening, tie-dyeing, door harps, stepping stones, clothing construction, and so much more. Imagine having the entire day to create and enjoy art projects, along with the support and enthusiasm of these two dynamic women.
